RE: Work Opportunities at Pennsylvania Chemicals (Cracker Plant)

Greetings:

Mr. Mark Selbert of Great Arrow Builders has notified our office that extensions for the existing H2B Visa holders have been approved by the US Department of Labor and that **substitutions are permitted** should any present Visa holder choose not to return. These extensions are good for twelve months, currently there are approximately fifty (50) openings for members interested in working on the site. This number is subject to change as some members have not yet indicated if they are returning.

If you have any members interested in submitting a new application, please send the following information to Mark Selbert at email: [Mark.Selbert@GreatArrowBuilders.com](mailto:Mark.Selbert@GreatArrowBuilders.com)

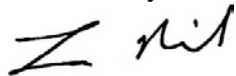

- 1) Complete *Attachment 1* form (Enclosed)
- 2) Copy of current passport
- 3) Copy of certifications such as Red Seal showing completion of apprenticeship, journeyman electrician programs
- 4) Copy of current resume; if available

Please note that applications will be accepted on a **first come first served basis**.

There will be a virtual Town Hall presentation on September 16, 2020 for anyone interested in finding out additional information. Representatives from Great Arrow Builders, Shell, IBEW Local Union 712 and IBEW First District will be in attendance to answer any questions that your members may have. The link to participate will be sent in a future separate email.

Once again, thank you for your efforts on this opportunity for our members.

In solidarity,
